Dear Friends of Lake Country Lutheran High School

God is good, all the time ... and all the time, God is good.

It has been a tough few days. Hearing the news of Mark Bahr accepting a Divine Call to be the Principal of Concordia Lutheran High School in Tomball, Texas is certainly not what I had hoped or prayed for. Yet even during this sadness, it is awesome to see the Lord's hand at work.

Mark has been a huge blessing to The Lutheran High School Association for 28 years. Wow, what a long and amazing career he has had here. He has blessed so many students, parents, faculty members and more. He was extremely instrumental in growing LCL into the amazing school it is today. He will be greatly missed. What a blessing the folks of Concordia are getting! He will make a huge difference there and anywhere else the Lord places him.

A few of the faculty are putting together an appropriate celebration for Mark and his wife Kris, and we will let you know once the details are worked out.

Please allow me to bring you up to speed on my thoughts for the transition and invite your participation.

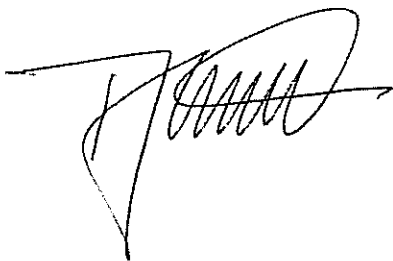

Mark will be continuing in the day to day role of Principal and will likely be around until the middle or end of June. I will be working closely with him and the faculty to ensure an orderly transition.

We have also established a call committee that will be made up of a LCL faculty member, a LCL current or former parent, a couple of Board members and me. We are going to get to work immediately with the goal of finding the absolute best principal for our school. I have met already with a group from the faculty to get their thoughts on what qualifications they think are needed in their principal. Our hope is to begin meeting next week and attempt to carefully, spiritually and quickly identify the candidate that God has already chosen. This process sometimes can take time and we want to be sensitive to that, but if possible we would like to have some more solid direction by the end of the school year.

If you have any wisdom or insight that you would like to offer the committee, please let me know at your earliest convenience. I can be reached via e-mail at tmoritz@lhsagm.org or by calling my office at (414) 421-9100 ext. 222. We have a fabulous school with amazing faculty members at LCL. You have my complete commitment to do whatever it takes to continue this amazing ministry to His kids.

Thank you for your patience and understanding and please keep Mark, Kris and Jacob Bahr in your prayers as they transition to Texas.

To God the glory!
